Website: www.calistoga.k12.ca.us/ces

Dr. Esmeralda Mondragon
Superintendent

Michele Treuscorff
Principal

Principal's Message

The mission of Calistoga Elementary School is to provide each student with a rich education in a safe and supportive learning environment. The teaching staff, parents, and community are united in maintaining a learning environment that promotes self-discipline, personal responsibility, and academic excellence. We celebrate the diversity of our school community and emphasize the social and academic skills we believe to be essential for our students to successfully navigate their future.

Our goal at Calistoga Elementary School is to provide high quality curriculum and instruction to all our students so that they can meet and exceed the California content and performance standards. The faculty at Calistoga Elementary School works closely together to align their teaching to maintain consistent high quality instruction throughout the grades.

We use the 2002 Houghton Mifflin Language arts program in kindergarten through the sixth grade. Intermediate students in need of additional support receive instruction in Sopsis West's LANGUAGE! program. We have recently adopted new core curricula in science, history-social science, and mathematics. In addition, English Speaking students are provided Spanish as a second language.

Parent and community volunteer work is important to our academic and extracurricular programs. We encourage parents to join our Parent/Teacher Organization (PTA), our School Site Council (SSC), our Art Docent program, and our English Learner Advisory Council (ELAC). We welcome and encourage all parents to become involved in all of our school-related activities.

School Safety

The School Safety Plan is reviewed annually. The plan addresses the response to earthquake, fire, intruders, and weapons on campus. It highlights interagency collaboration for crisis response and proactive planning for natural disasters. Drills and simulations support school preparedness.

The School Safety Plan was last reviewed, updated, and discussed with the school faculty on September 13, 2008.

Professional Development

Professional development for teachers is provided for two days before the school year begins and three days after the regular school day during the school year. In order to provide teachers collaboration and staff development time one morning each week, the instructional time is extended the other four days. Teachers attend conferences and workshops off site and share the information with the staff.

Calistoga Joint Unified School District

1520 Lake Street
Calistoga, CA 94515

District Vision

Our vision is that all of our students have the skills, knowledge and attitudes to become confident, competent, productive citizens and lifelong learners.

District Core Beliefs

We believe that our most important resource is our students.

We believe that all students can learn. Our responsibility is to make it happen.

We believe that we must provide a safe and orderly environment.

We believe that parents are teachers, too. We invite and encourage parents to get involved with the school.

We believe in an uncompromising commitment to high standards.

"We are a collaborative, culturally rich educational community, where a rigorous and innovative curriculum prepares our students to be successful contributors to our global society."

California Physical Fitness Test

Each spring, all students in grades 5, 7, and 9 are required to participate in the California Physical Fitness Test (PFT). The State Board of Education designated the *Fitnessgram*® as the PFT for students in California public schools. The test measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

The primary goal of the *Fitnessgram*® is to assist students in establishing lifetime habits of regular physical activity. For 2008-09, no information is available for Calistoga Elementary School regarding the California PFT. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf/.

Parental Involvement

Calistoga Elementary School has many opportunities for parent involvement. Parents are always invited to visit and or assist in their children’s classroom. We have several active parent organizations. The PTA meets the first Tuesday of the month at 6:30 P.M., the ELAC meets the third Thursday of the month at 6:30 P.M., and the SSC meets the fourth Thursday of the month at 3:45 P.M. Parents and community members are encouraged to volunteer in the classroom and in our extensive tutoring and after-school homework center programs. Our Art Docent program—which provides exemplary art lessons—is operated by parent volunteers. The school garden and classes in cooking basics are also organized and taught by parent and community volunteers. Parents are also welcome to attend monthly parent forum called “Coffee and Conversation” where parents enjoy an hour of informal conversation with the school administration.

We have three community organizations that support our school.

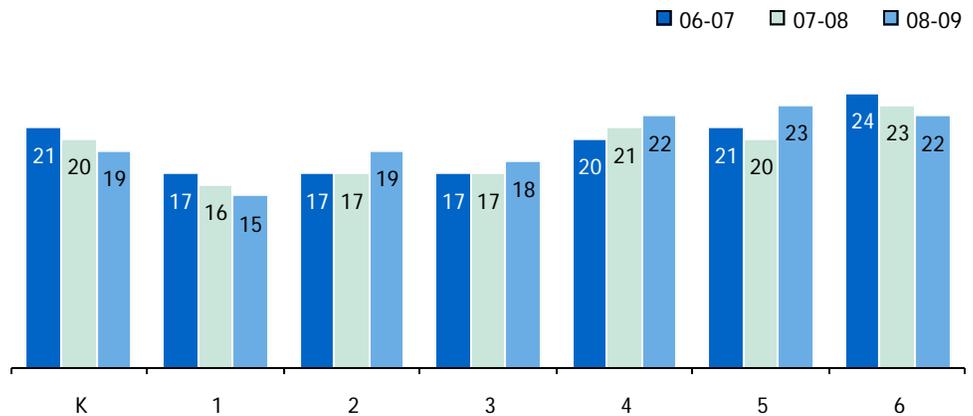

The Calistoga Education Foundation provides grants to teachers for field trips, books, technology, special supplementary classroom materials, and special projects.

The Athletic Boosters support our physical education program. The Music and Arts Boosters support the band and chorus program. Each of these groups welcomes parent involvement and participation.

For more information on how to become involved, contact Michele Treuscorff, Principal, at (707) 942-4398.

Class Size

The bar graph displays the three-year data for average class size.

Class Size Distribution – Number of Classrooms By Size

Grade	06-07			07-08			08-09		
	1-20	21-32	33+	1-20	21-32	33+	1-20	21-32	33+
K	2	2		3	1		5		
1	4			5			4		
2	3			2			3		
3	3	1		4			3		
4	2	1		1	2			3	
5		2		2	1			3	
6		3			3		1	2	

School Facility Good Repair Status

The table below shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition, or poor condition.

School Facility Conditions and Improvements				
Items Inspected	Repair Status			
	Good	Fair	Poor	
Systems: Gas Systems and Pipes, Mechanical Systems (heating, ventilation, and air conditioning), Sewer	✓			
Interior: Interior Surfaces (floors, ceilings, walls, and window casings)	✓			
Cleanliness: Pest/Vermin Control, Overall Cleanliness (school grounds, buildings, rooms, and common areas)	✓			
Electrical: Electrical Systems (interior and exterior)	✓			
Restrooms/Fountains: Restrooms, Sinks/Drinking Fountains (interior and exterior)	✓			
Safety: Fire Safety Equipment, Emergency Systems, Hazardous Materials (interior and exterior)	✓			
Structural: Structural Condition, Roofs	✓			
External: Windows/Doors/Gates/Fences, Playgrounds/School Grounds	✓			
Overall Summary of Facility Conditions				
	Exemplary	Good	Fair	Poor
Overall Summary		✓		

Note: The most recent school site inspection occurred on April 28, 2009, and the inspection form was most recently completed on April 28, 2009.

School Facilities

Student safety is a primary concern at Calistoga Elementary School. Student supervision begins 30 minutes before the school day and continues through dismissal time. After-school activities are supervised.

In addition to comfortable student-sized furniture, all classrooms are equipped with excellent lighting, and adjustable heating and air conditioning. All facilities are kept in good repair. In the restrooms, 100% of the toilets are working. In addition to 25 regular classrooms, there is a reading/band room, a reading/Gifted and Talented Education (GATE) room, a science/art room, and a cafeteria/multipurpose room. Two conference rooms are available for parent and staff meetings.

A dedicated, five-person custodial and maintenance staff keeps the school clean and in top physical repair. They are on-duty from early morning before school begins into the evening to ensure that the campus is clean and routine maintenance issues are addressed in a timely manner. In addition, there are two groundskeepers who keep the playing fields and landscaping attractive and trimmed.

Continued on sidebar

School Facilities

Continued from left

Located on approximately eight acres in the center of town, Calistoga Elementary School is a modern, clean, facility. Fourteen new classrooms were added in 1998, and in summer 2003, the eight oldest classrooms, built in 1956, were completely renovated. All of the restrooms on the campus have handicap accessibility and have been recently renovated. No emergency facilities exist at Calistoga Elementary School.

Our PTA donated a new computer lab, which is housed in a separate room just off the school library. The school library has an impressive collection of over 30,000 books. The campus and all classrooms are fully networked and every room has computers and high-speed Internet access for instructional use.

During 2007-08, the facility improvements in our District were focused on our high school campus. At CES, routine maintenance was a priority and in the fall of 2008 all new playground equipment will replace the existing equipment. This project has been funded in large part with District funds supplemented by a significant contribution from the Calistoga and Napa Kiwanis Clubs.

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2009-10 school year, the District budgeted \$54,960 for the Deferred Maintenance Program. This represents 0.05% of the District's general fund budget.

Textbooks and Instructional Materials

All pupils attending the Calistoga Schools have a copy of the State-adopted textbooks that are used in the core curriculum areas. In addition, students are provided with all of the necessary instructional materials needed to enable them access to the core curriculum.

All students have access to all adopted textbooks and ancillary instructional materials, for use in the classroom and to take home.

Enrollment and Demographics

The total enrollment at the school was 466 students for the 2008-09 school year.

Textbooks and Instructional Materials

Textbooks and Instructional Materials List

Subject	Textbook	Adopted
English-Language Arts	<i>Reading</i> , Houghton Mifflin (K-6)	2002
Mathematics	Harcourt School Publishers (K-6)	2008
Science	Pearson Scott Foresman (K-6)	2008
History-Social Science	Harcourt School Publishers (K-6)	2006

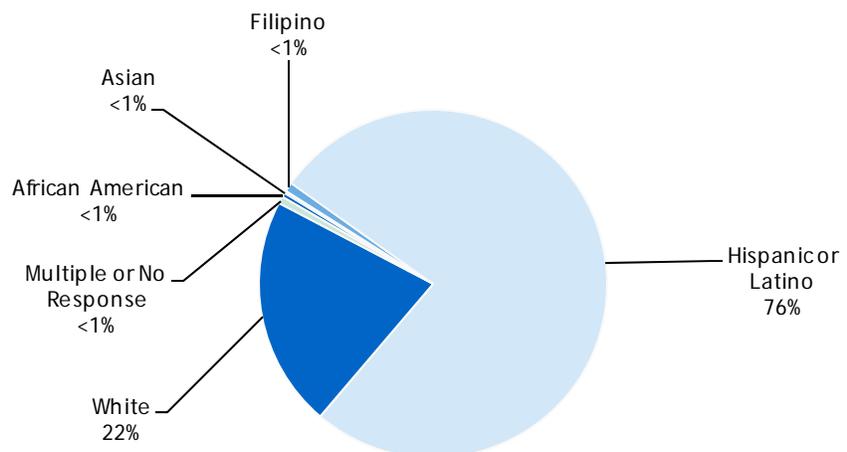

Availability of Textbooks and Instructional Materials

Availability of Textbooks and Instructional Materials

Subject	Percentage of Pupils Who Lack Their Own Assigned Textbook and Instructional Materials
Reading/Language Arts	0%
Mathematics	0%
Science	0%
History-Social Science	0%
Visual and Performing Arts	0%
Foreign Language	0%
Health	0%

Note: This data was most recently collected and verified in August 2009.

Enrollment and Demographics

National Assessment of Educational Progress

The National Assessment of Educational Progress (NAEP) is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in mathematics, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and mathematics are reported as performance levels (i.e., Basic, Proficient, and Advanced) and the participation of students with disabilities and English language learners is reported based on three levels (Identified, Excluded, and Assessed). Detailed information regarding the NAEP results for each grade level, performance level, and participation rate can be found on the NAEP Web page at <http://nces.ed.gov/nationsreportcard/>.

NAEP Reading and Mathematics Results: Grades 4 and 8

This table displays the scale scores and achievement levels on the NAEP for reading (2007) and mathematics (2009) for grades four and eight.

NAEP Reading and Mathematics Results for Grades 4 and 8				
	Reading 2007		Mathematics 2009	
	Grade 4	Grade 8	Grade 4	Grade 8
Average Scale Score				
State	209	251	232	270
National	220	261	239	282
State Percent at Each Achievement Level				
	Grade 4	Grade 8	Grade 4	Grade 8
Basic	30%	41%	41%	36%
Proficient	18%	20%	25%	18%
Advanced	5%	2%	5%	5%

NAEP Reading and Mathematics Results: Students with Disabilities and/or English Language Learners by Grades 4 and 8

This table displays the state and national participation rates on the NAEP for reading (2007) and mathematics (2009) for students with disabilities and/or English language learners for grades four and eight.

NAEP Reading and Mathematics Results for Grades 4 and 8				
	Reading 2007		Mathematics 2009	
	Grade 4	Grade 8	Grade 4	Grade 8
State Participation Rate				
Students with Disabilities	74%	78%	79%	85%
English Language Learners	93%	92%	96%	96%
National Participation Rate				
	Grade 4	Grade 8	Grade 4	Grade 8
Students with Disabilities	65%	66%	84%	78%
English Language Learners	80%	77%	94%	92%

Suspensions and Expulsions

This table shows the rate of suspensions and expulsions (the total number of incidents divided by the school's total enrollment) for the most recent three-year period.

Suspension Rate		
Calistoga ES		
06-07	07-08	08-09
0.057	0.016	0.039
Calistoga JUSD		
06-07	07-08	08-09
0.133	0.09	0.008
Expulsion Rate		
Calistoga ES		
06-07	07-08	08-09
0.000	0.000	0.000
Calistoga JUSD		
06-07	07-08	08-09
0.002	0.002	0.000

NAEP Testing Note: Only a sample group of California's schools and districts participate in the NAEP testing cycle. Therefore, students in any particular school or district may not be included in these results. NAEP results reflect state level student performance and is not reflective of either the district or the individual school. Also, comparisons of student performance on the NAEP and student performance on the STAR Program assessments cannot be made because there are key differences between the two testing programs. For example, the two assessments test students in different grade levels and the tests are based on a different set of standards. For more information on the differences between the NAEP and STAR, please visit CDE's NAEP Web page at www.cde.ca.gov/ta/tg/nr/.

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key tests, including the California Standards Test (CST), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). The CSTs are multiple choice tests in English-language arts, mathematics, science, and history-social science for varying grade levels. Some grade levels also participate in an essay writing test.

The CSTs are used to determine students' achievement of the California Academic Content Standards. These standards describe the knowledge and skills that students are expected to learn at each grade level and subject.

The CMA is a modified assessment for students with disabilities who have an individualized education program (IEP). It is designed to assess those students whose disabilities prevent them from achieving grade-level proficiency on an assessment of the content standards with or without accommodations.

The CAPA is an alternate assessment for students with significant cognitive disabilities who are unable to take the CST with accommodations or modifications or the CMA with accommodations.

For a complete report on all tests, participation, groups, and their scores by grade level, please visit <http://star.cde.ca.gov/>. To learn more about the STAR Program, please visit the guide at www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf.

STAR Results for All Students: Three-Year Comparison

The Standardized Testing and Reporting (STAR) results are reported as performance levels in order to compare student achievement to state standards. The five performance levels are: **Advanced** (*exceeds state standards*); **Proficient** (*meets state standards*); **Basic**; **Below Basic**; and **Far Below Basic**. Students scoring at the Proficient or Advanced level meet state standards in that content area. The tables below show the percentage of students that scored at Proficient or Advanced levels in English-language arts, mathematics, and science.

Percentage of Students Scoring At Proficient or Advanced Levels

	Calistoga ES			Calistoga JUSD			California		
	06-07	07-08	08-09	06-07	07-08	08-09	06-07	07-08	08-09
English-Language Arts	35%	43%	47%	35%	39%	44%	43%	46%	50%
Mathematics	44%	48%	49%	32%	33%	34%	40%	43%	46%
Science	23%	26%	27%	29%	33%	37%	38%	46%	50%

STAR Results by Student Group: English-Language Arts, Mathematics, Science, and History-Social Science

Percentage of Students Scoring At Proficient or Advanced Levels

Group	Spring 2009 Results		
	English-Language Arts	Mathematics	Science
Male	41%	49%	31%
Female	52%	50%	23%
Economically Disadvantaged	41%	46%	13%
English Learners	28%	37%	10%
Students with Disabilities	35%	32%	❖
Students Receiving Migrant Education Services	44%	48%	22%
African American	❖	❖	❖
American Indian or Alaska Native	❖	❖	❖
Asian	❖	❖	❖
Filipino	❖	❖	❖
Hispanic or Latino	40%	45%	14%
Pacific Islander	❖	❖	❖
White	66%	61%	77%

❖ Scores are not shown when the number of students tested is 10 or less, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. The API is a score on a scale of 200 to 1,000 that reflects a school's, district's or a student group's performance level, based on the results of statewide testing. An API score of 800 is set as the statewide target.

Each annual API reporting cycle includes a Base and a Growth API. The Base API starts the reporting cycle and is released approximately a year after testing (i.e., The 2008 Base is calculated from results of statewide testing in spring 2008 but is released in May 2009). The Growth API is released after the Base API but is calculated from test results from the following year (i.e., The Growth API is calculated from results of statewide testing in spring 2009 and released in August 2009). Therefore, for the 2008-09 API reporting cycle, the 2008 Base indicator and 2009 Growth indicator are used. To learn more about API, please visit the API information guide at www.cde.ca.gov/ta/ac/ap/documents/infoguide08.pdf and the API overview guide at www.cde.ca.gov/ta/ac/ay/documents/overview09.pdf.

Academic Performance Index Ranks

API Ranks – Three Year Comparison			
	2006	2007	2008
Statewide API Rank	4	4	5
Similar Schools API Rank	6	5	9

Academic Performance Index Growth

Group	Actual API Change			2009 Growth API Score
	06-07	07-08	08-09	
All Students at the School	2	37	-1	762
African American	■	■	■	■
American Indian or Alaska Native	■	■	■	■
Asian	■	■	■	■
Filipino	■	■	■	■
Hispanic or Latino	14	44	6	733
Pacific Islander	■	■	■	■
White	-6	20	3	850
Socioeconomically Disadvantaged	15	39	10	731
English Learners	-25	59	0	698
Students with Disabilities	■	■	■	■

■ Data are reported only for numerically significant groups.

API Testing Note: Assessment data are reported only for numerically significant groups. To be considered 'numerically significant' for the API, the group must have either: (1) at least 50 students with valid test scores who make up at least 15% of the total valid scores, or (2) at least 100 students with valid test scores.

Academic Performance Index Ranks

Schools are ranked in ten categories of equal size, called deciles, from 1 (lowest) to 10 (highest) based on their API Base reports. A school's "statewide rank" compares its API to the APIs of all other schools statewide of the same type (elementary, middle, or high school). A "similar schools rank" reflects how a school compares to 100 statistically matched similar schools. This table shows the school's three-year data for statewide API rank and similar schools API rank, for which infor-

Academic Performance Index Growth

This table displays, by student group, the actual API change in points added or lost for the past three years, and the 2009 API score.

Types of Services Funded

These programs and supplemental services are provided at the school either through categorical funds or other sources that support and assist students:

- Certificated teachers
- Basic literacy and advanced college prep instructional program
- Music, art, drama and elective course programming
- Academic counseling services
- Personal counseling services
- Staff development
- Classified support staff
- Instructional aides
- Textbooks and instructional materials
- Special Education programs
- Maintenance
- Educational technology
- Home-to-school transportation
- Library services
- Summer school
- District utilities
- Advanced Placement
- Honors and Gifted Programming
- Program for English Language Learners
- School Safety and Violence Prevention
- Supplemental counseling
- After-school tutoring
- Interscholastic athletic program

Adequate Yearly Progress

The No Child Left Behind (NCLB) Act requires that all schools and districts meet Adequate Yearly Progress (AYP) requirements. To meet these standards, California public schools and districts must meet or exceed criteria in four target areas:

1. Participation rate on statewide assessments in English-language arts and mathematics
2. Percentage of students scoring proficient on statewide assessments in English-language arts and mathematics
3. API scores
4. Graduation rate for high schools

The table displays whether or not the school and district made AYP overall and met each of the AYP criteria for 2008-09. For more information, please visit www.cde.ca.gov/ta/ac/ay/.

Adequate Yearly Progress Criteria				
	Calistoga ES		Calistoga JUSD	
Met Overall AYP	No		No	
AYP Criteria	English-Language Arts	Mathematics	English-Language Arts	Mathematics
Participation Rate	Yes	Yes	Yes	Yes
Percent Proficient	No	No	Yes	No
API	Yes		Yes	
Graduation Rate	✧		No	

✧ Not applicable. The graduation rate for AYP criteria applies to high schools.

Federal Intervention Program

Schools and districts that receive Title I funding can enter Program Improvement (PI) if they fail to meet AYP over two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). With each additional year they don't meet AYP, they advance to the next level of intervention. This table displays the 2009-10 Program Improvement status for the school and district. For more information, please visit www.cde.ca.gov/ta/ac/ay/.

Federal Intervention Program		
	Calistoga ES	Calistoga JUSD
Program Improvement Status	In PI	Not In PI
First Year of Program Improvement	2000-01	✧
Year in Program Improvement	Year 5	✧
Number of Schools Identified for Program Improvement	1	
Percent of Schools Identified for Program Improvement	33.3%	

✧ Not applicable.

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. More information can be found by visiting <http://data1.cde.ca.gov/dataquest/>.

Teacher Credential Information				
	Calistoga JUSD	Calistoga ES		
Teachers	08-09	06-07	07-08	08-09
With Full Credential	51	27	28	28
Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence		0	0	0

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note: Total teacher misassignments includes the number of misassignments of teachers of English Learners.

Teacher Misassignments and Vacant Teacher Positions			
	Calistoga ES		
	07-08	08-09	09-10
Teacher Misassignments of English Learners	0	1	0
Total Teacher Misassignments	0	1	0
Vacant Teacher Positions	0	0	0

No Child Left Behind Compliant Teachers

NCLB requires that all teachers of core academic subject areas be "highly qualified." In general, for a teacher to be considered highly qualified, they must have a bachelor's degree, an appropriate California teaching credential, and have demonstrated competence for each core subject he or she teaches. The table displays data regarding NCLB compliant teachers from the 2008-09 school year. For more information on teacher qualifications related to NCLB, please visit www.cde.ca.gov/nclb/sr/tg.

	Percent of Classes in Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
Calistoga ES	100.0%	0.0%
All Schools in District	99.3%	0.7%
High-Poverty Schools in District	◆	◆
Low-Poverty Schools in District	100.0%	0.0%

NCLB Note: High-poverty schools are defined as those schools with student participation of approximately 75% or more in the free and reduced priced meals program. Low-poverty schools are those with student participation of approximately 25% or less in the free and reduced priced meals program.

◆ Information not available.

Academic Counselors

This table displays information about academic counselors at the school.

Academic Counselors	
Number of Academic Counselors (FTE)	0.0
Ratio of Students Per Academic Counselor	◆
◆ Not applicable.	

School Support Staff

The following is a list of the support staff at the school and their full-time equivalent (FTE):

School Support Staff	
Library Media Teacher (Librarian)	1.0
Library Media Services Staff (paraprofessional)	0.0
Psychologist	1.0
Social Worker	0.0
Nurse	0.0
Speech/Language/Hearing Specialist	1.0
Resource Specialist (non-teaching)	0.0
Other	0.0

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note the district salary data does not include benefits.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (i.e., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

SARC: Data provided by the California Department of Education (CDE), school and the district office. For additional information on facts about California schools and districts, please visit DataQuest at <http://data1.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English Learners.

All data accurate as of January 2010.
